MEMORANDUM FOR THE CHIEF, ICAPS

PROM : Assistant Director, O.R.E.

SUBJECT: Publication known as "Review of World Affaire"

- 1. Referring to your memorandum of 28 March 1947 regarding subject publication, your suggestion that in the event that C.I.G. was not receiving this publication it might be of interest to O.R.E. was highly appreciated.
- 2. Investigation has revealed, however, that subject magazine is regularly received by C.I.G. and the fact that it is addressed personally to General Vandenberg may account for there being no record of it in the Central Registry.
- 3. The magnaine is regularly sent to C.R.E. by General Wright. No additional copy of this magnaine is considered to be necessary to O.R.E. at this time.
